MONCLOVA TOWNSHIP
BOARD OF TRUSTEES

CODE OF CONDUCT

Resolution 04202026-03

Code of Conduct for those wishing to address the Board during public meetings:

I. Those wishing to address the Board will be given the opportunity during the meeting when the chairman of the Board asks the audience for questions or comments. The audience member will state name, address before asking questions or adding comments. In large meetings the address process will be adjusted and include sign-in prior to the start of the meeting with name and address.

II. Common courtesy and respect is expected towards the Board while making public address. The use of profanity, loud, threatening or condescending comments towards the Board or other township employees will not be tolerated. The public address opportunity will be immediately forfeited.

III. Outbursts such as clapping, cheering, booing or interjecting comments from those in attendance is not acceptable and if repeated will be cause for removal from the meeting.

IV. Although there are no specific time limits for individuals addressing the Board, lengthy, repetitive, redundant or immaterial comments will not be allowed to continue. The Board respectfully requests and encourages those addressing the Board to limit their comments to approximately two (2) minutes. Additional time may be granted at the discretion of the Board.

V. The Chair of the Board reserves the right to limit the number of speakers and length of time any individual or group of individuals may address the Board on a particular topic or issue.

VI. Failure to respect the guidelines while addressing the Board may result in the Board asking the citizen to step away from the podium. Failure to do so may result in the Board declaring the citizen to be disorderly and will be asked to leave or the meeting will break until order is restored.

Monclova Township Board of Trustees November 2, 2026

These meeting minutes are intended to provide a summary of discussions and actions taken, not a verbatim or exhaustive record of all comments, attendees, or proceedings. The official record of each meeting is the audio recording, which is available for those seeking full context or specific details.

Special Meeting 4:45 PM, as duly posted:
Lang moved, Laux seconded, to recess from Special Meeting's General Session and enter into Executive Session per Ohio Revise Code 121.22(G)(6) Security Arrangements and Emergency Response matters where disclosure could compromise safety. Motion passed unanimously.

Lang moved, Hoecherl seconded, to return from Executive Session at 5:25 PM. Motion passed unanimously. Special Meeting was adjourned.

General Session:
The regular meeting of the Monclova Township Board of Trustees commenced with the Pledge of Allegiance at 5:30 PM.

Board Approvals

- Hoecherl moved, Laux seconded, agenda acceptance (00:55). Motion passed unanimously.
- Hoecherl moved, Laux seconded, to approve October 19, 2026 meeting minutes. Motion passed unanimously (00:55).
- Hoecherl moved, Laux seconded, approve bill payment totaling $763,848.48 as submitted, including a $402,000 payment to Atlantic Systems for a new ambulance scheduled for pickup Friday (01:25). Motion passed unanimously.
- Hoecherl moved, Lang seconded, to approve transfer of $10,000 from the Quad Zero building account to the Quad Zero supplies account to cover expenses (01:56). Motion passed unanimously,
- Inventory instructions distributed to departments; hotel reservations for Ohio Township Association event confirmed for all attendees at one hotel.

Zoning Amendments

- Industrial Planned Unit Development (IPUD) amendment initiated for large industrial tracts of 20 acres or more, with smaller parcels considered at trustees' discretion (02:58). Hoecherl made the motion to approve Resolution 11022026-01, Laux seconded. Motion passed unanimously.
- IPUD includes provisions to improve maintenance of rights-of-way, control odors and noise, and limit renewable energy facilities to internal use (04:08).
- Development standards strengthened to require higher-quality building appearance, landscaping, and buffering, aligning with economic development goals (05:13).
- Amendment process approved to proceed through Lucas County Planning Commission, township zoning commission, and final trustee approval, including three public hearings (11:24).

Zoning

- Lang moved to establish public hearings for files Z17-C391 as well as Z17-C392 for November 16th at 5:30 PM. Seconded by Laux. Motion passed unanimously.

Roads And Infrastructure

- Black Road resurfacing and widening project advanced for 2028, including multi-use paths on both sides to enhance connectivity (12:33).
- City of Maumee will share costs for portions of Black Road within city limits (14:47).
- Laux moved, Lang seconded, to approve the Joint Cooperation Agreement between Monclova Township, City of Maumee, and Lucas County supporting the Ohio Public Works Commission (OPWC) project (15:18). Motion passed unanimously.
- Engineering assistance from Lucas County approved for 2027 crack-sealing process, with costs capped at $50,000; road list to be posted online for public awareness (17:56).

Administration And Operations

- Hoecherl moved, Laux seconded to approve employee appreciation program with a budget up to $7,500, covering all full-time and part-time employees and township board members, excluding elected officials (16:50). Motion passed unanimously.
- Local business gift cards from Churchills identified as the preferred form of recognition.
- Public works hiring underway with interviews for an open position; fire-station remodeling projects ongoing with Chief Homik's report expected next month (18:33).
- Inventory preparation initiated with letters distributed; Ohio Township Association hotel reservations arranged (02:26).
- Public information meetings on home rule conducted recently, with good attendance; residents encouraged to vote in upcoming elections (19:03).

Data Center Concerns

- Upcoming Oregon vote could significantly impact data center development plans, with Vantage Data Center Group considering three centers in Oregon or potentially shifting development to Monclova (19:33).
- A Virginia developer has taken preliminary steps to propose an industrial park on Black Road in Monclova through Monclova Properties (20:29).
- Township officials emphasized ongoing zoning work, including the IPUD amendment and M3 zoning process (22:47).

ATTEST: _____
Gavin S. Pike, Fiscal Officer

BOARD OF TRUSTEES Accepted 11/16/2026

_____
Barbara S. Lang

_____
Deborah Stevens-Laux

_____
Charles V. Hoecherl

Hello Kathleen,
I wanted to send my gratitude for the leaf collection updates. I received very timely notice by the app and email about the leaf collection for our neighborhood (the Quarry) scheduled for today and I was able to put our growing collection of leaves at the curb last night, and voila! They were picked up today! Thank you and to the team working on it.

Best,
Meghan Lewis

10/26/26 Zoning Commission Meeting

The duly posted meeting of the Monclova Township Zoning Commission commenced at 5:30 p.m. with the Pledge of Allegiance to the Flag.

Roll Call of Zoning Commission Members:

Present: Keith Trettin, Cathy Shepherd, Jim Lindsay, Paul Rasmusson, Brian Chandley, and Mark Trimble

Staff Present: Zoning Administrator Eric Wagner

A. Call to Order by Chair; states date for audio record

B. Pledge of Allegiance to the Flag

C. Roll Call of Members; All Members present

D. Minutes: Move to suspend reading of the May 26, 2026 meeting and approve as submitted. Moved Rasmusson Second Chandley All were in favor

Chair Lindsay commenced Public Hearing: Z17-C392, zoning change from A/R Agricultural Residential and C-2 General Commercial to M-1 Industrial/Office Research District for property identified as taxing district parcel number 38-46111, 10311 Airport Highway. Applicant/Agent: George Lathrup.

Zoning Administrator Wagner gave a review of the proposed zoning change. He noted that the request was reviewed by the Lucas County Planning Commission staff who recommended approval. He also noted that the Lucas County Planning Commission recommended approval at their 9-23-26 meeting.

The applicant George Lathrup was sworn in and gave a brief description of his plans for the property. He plans to develop the property for a light industrial use that will fit in with other commercial and industrial businesses in the area.

Trettin moved to close the public hearing and Rasmusson seconded it. All were in Favor

SECTION 15
ZONING CHANGES AND TEXT AMENDMENTS

SECTION 15.1 AUTHORITY

Whenever the public necessity, convenience, general welfare, or good zoning practices require, the Township Trustees may, by resolution, after receipt of recommendation thereon from the Zoning Commission and subject to the procedures provided by law, amend, supplement, change or repeal the regulations, restrictions, and boundaries or classification of property, now or hereafter established by this Resolution.

SECTON 15.2 PROCEDURES

Initiation of Zoning Amendments

1. Amendments to this zoning resolution may be initiated by

a. Motion of the Township Zoning Commission, or

b. By the passage of a resolution by the Board of Township Trustees, or

c. By the filing of an application by one or more of the owners or lessees of property within the area proposed to be changed or affected by the proposed amendment with the Township Zoning Commission.

2. The Board of Township Trustees, upon the passage of such a resolution, shall certify it to the Township Zoning Commission, which shall be deemed to occur on the first business day following the date of its passage.

B. **Application**

An owner or lessee of property filing an application to amend the Zoning Resolution , shall make such application on forms prescribed by the Zoning Administrator. Applications must be complete and shall be accompanied by information or data indicating the necessity for, or desirability of, the change request, and filed with the Zoning Administrator ten (10) business days prior to the meeting of the Zoning Commission where the applicant seeks to be heard. These same rules shall apply to revisions to a previously submitted application.

SECTON 15.2 **<u>PROCEDURES</u>** (cont'd)

C. Fees

An owner or lessee of property filing an application to amend the Zoning Resolution shall pay a fee, in accordance with the Township fee schedule, for each application to defray the cost of advertising, mailing, filing with the county recorder. The applicant shall additionally pay all other expenses incurred by the Township, including but not limited to the fees of any design or engineering professionals. A deposit for additional expenses may be required. No permit shall be issued nor any action shall be taken on an application until all fees are paid in full.

D. Submission to the Zoning Commission

Submission to the Zoning Commission which shall be deemed to occur on the first business day following the date of a resolution by the Board of Township Trustees, or the filing of an application by an owner or lessee of property.

E. Public Hearing and Notice by Zoning Commission

1. Upon the adoption of a motion of the Township Zoning Commission, the certification of a resolution by the Board of Township Trustees, or the filing of an application by one or more of the owners or lessees of property, the Zoning Commission or Zoning Administrator on behalf of the Zoning Commission shall set a date for a public hearing, which date shall not be less than twenty (20) nor more than forty (40) days from the date of the adoption, certification or filing of an application. In the event that the Lucas County Planning Commission has not returned its report and recommendation, said hearing may be cancelled and rescheduled administratively by the Zoning Administrator.

2. Notice of the hearing of the Zoning Commission shall be given at least ten (10) days before the date of the hearing in accordance with Ohio Rev. Code Section 519.12.

F. Submission to the Lucas County Planning Commission

1. Within five (5) days after the adoption of a motion of the Township Zoning Commission, the certification of a resolution by the Board of Township Trustees, or the filing of an application by one or more of the owners or lessees of property the Zoning Administrator shall transmit a copy of it together with text and maps pertaining to it, to the Lucas County Planning Commission for approval, disapproval or suggestions.

PROCEDURES (cont'd)

2. The Lucas County Planning Commission shall recommend the approval or denial of the proposed amendment or the approval of some modification of it and shall submit its recommendation to the Township Zoning Commission. The recommendation shall be considered at the public hearing held by the Township Zoning Commission on the proposed amendment.

G. Recommendation by the Zoning Commission

1. The Township Zoning Commission, within thirty (30) days after the public hearing, shall recommend the approval or denial of the proposed amendment, or the approval of some modification of it, and submit that recommendation together with the motion, application or resolution involved, the text and map pertaining to the proposed amendment, and the recommendation of the Lucas County Planning Commission to the Board of Township Trustees.

2. The Commission shall keep minutes of its proceedings showing the vote of each member upon each question and shall keep records of its examinations and other official actions, all of which shall be filed in the office of the Commission, and shall be a public record.

H. Public Hearing and Notice by Township Trustees

1. The Board of Township Trustees, upon receipt of the recommendation of the Zoning Commission, shall set a time for a public hearing on the proposed amendment, which date shall not be more than thirty (30) days from the date of receipt.

2. Notice of the hearing of the Board of Township Trustees shall be given at least ten (10) days before the date of the hearing in accordance with Ohio Rev. Code Section 519.12.

I. Action by Board of Township Trustees

1. Within twenty (20) days after its public hearing, the Board of Township Trustees shall either adopt or deny the recommendations of the Township Zoning Commission or adopt some modification of them. If the Board denies or modifies the recommendation of the Township Zoning Commission, a majority vote of the Board shall be required.

a. If the Board of Trustees votes to continue a public hearing to a future date, the hearing remains open for testimony and evidence. The statutory 20-day clock mandated by Ohio Revised Code Section 519.12(H) is triggered only when the final, continued session of the public hearing is formally closed, regardless whether a vote is taken at that time. Within 20 days of that closing date, the Trustees must formally vote to adopt, deny, or modify the proposed text amendment.

PROCEDURES (cont'd)

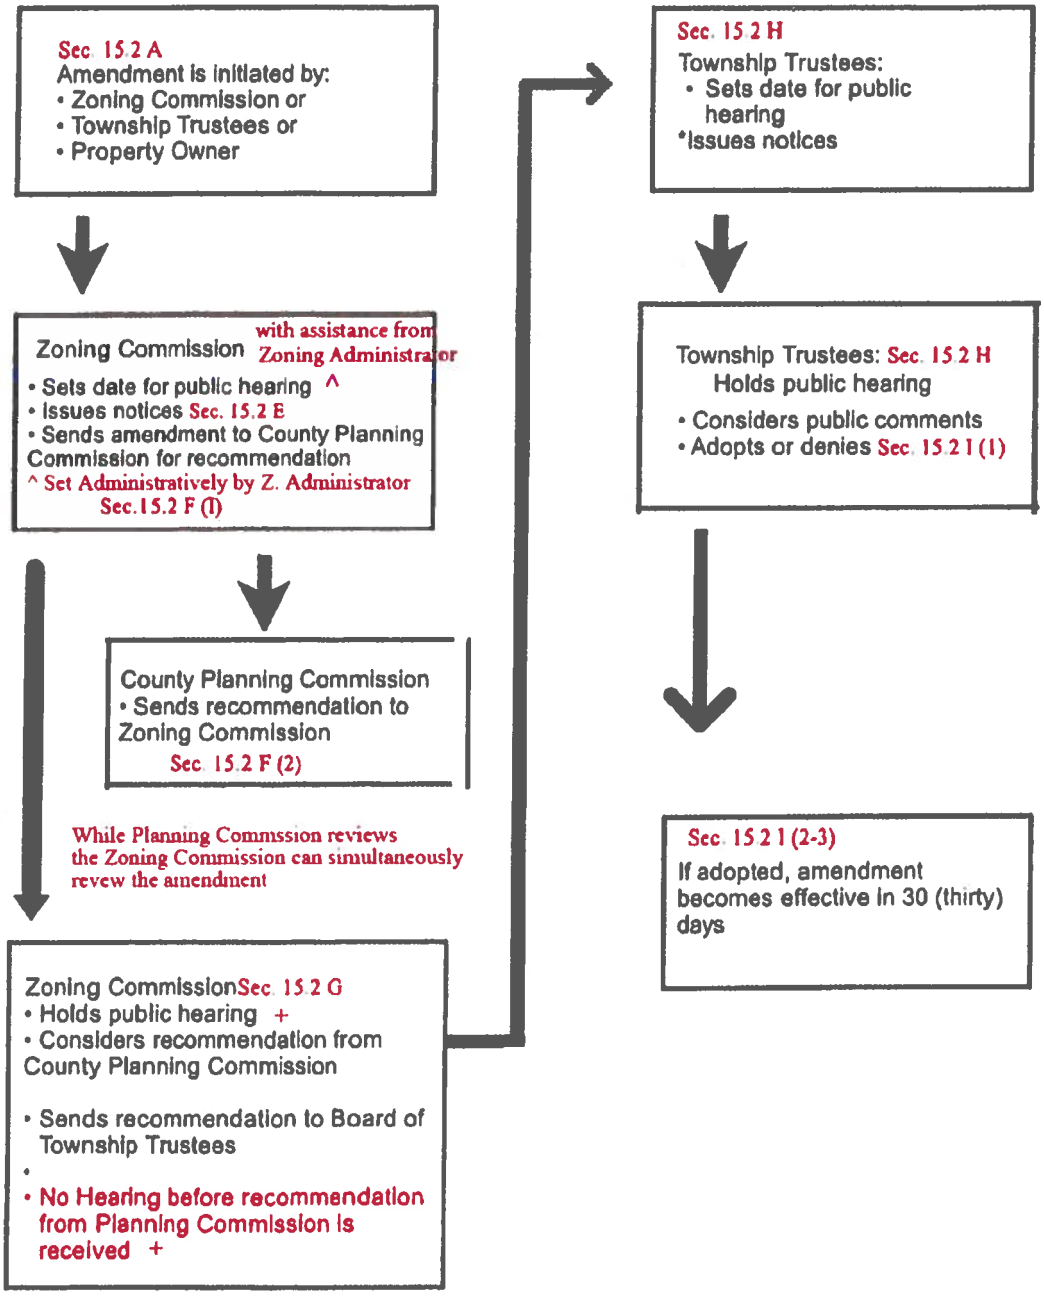

2. Within five (5) working days after an amendment's effective date, the Board of Township Trustees shall file the text and maps of the amendment in the office of the Lucas County Recorder and with the Lucas County Planning Commission.

Section 15.3 EFFECTIVE DATE AND REFERENDUM

The proposed amendment, if adopted by the Board of Township Trustees, shall become effective in thirty (30) days after the date of its adoption, unless, within thirty (30) days after the adoption, there is presented to the Board of Township Trustees a petition pursuant to Ohio Rev. Code Section 519.12.

RE: Zoning Change Request
10311 Airport Hwy, Swanton, OH 43558

Dear Mr. Wagner,

Please consider this my letter of intent to change the zoning on the above referenced property for which I am the owner. We are in the process of selling the property to an entity owned by George Lathrop and will be representing me on the zoning change. It is my understanding that his project for the property is a multi-tenant industrial project and he does not have an end user in mind that he is able to discuss at this time. I appreciate your cooperation with this zoning change request.

Thank you,

BMY, an Ohio Partnership

RE: Zoning Change Request
10311 Airport Hwy, Swanton, Ohio

Dear Eric,

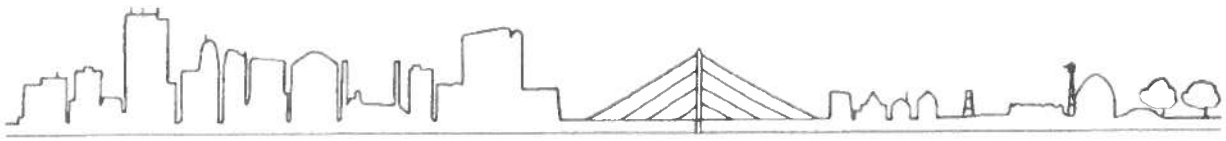

Pursuant to our email exchanges, attached is a signed request for zoning change form, letter of intent and our check #1368 for $800.00 for the zoning change request fee. Assuming everything is in order please begin the process of the zoning change.

As always, should you have any questions or comment please do not hesitate to ask.

Respectfully,

George W. Lathrop
President
Tomahawk Development Co.

STAFF REVIEWER: Molly L. Maguire

Details of Zone Change Request

The applicant is requesting a Zone Change from C-2 General Commercial and A/R Agriculture/Residential to M-1 Light Industrial located at 10311 Airport Highway. The Zone Change will allow the property owner to develop the site for light industrial uses. A site plan will be required and reviewed in compliance with the requirements of the Monclova Township Zoning Resolution.

Parcel History

Nothing on file at the Plan Commissions office.

Existing Conditions

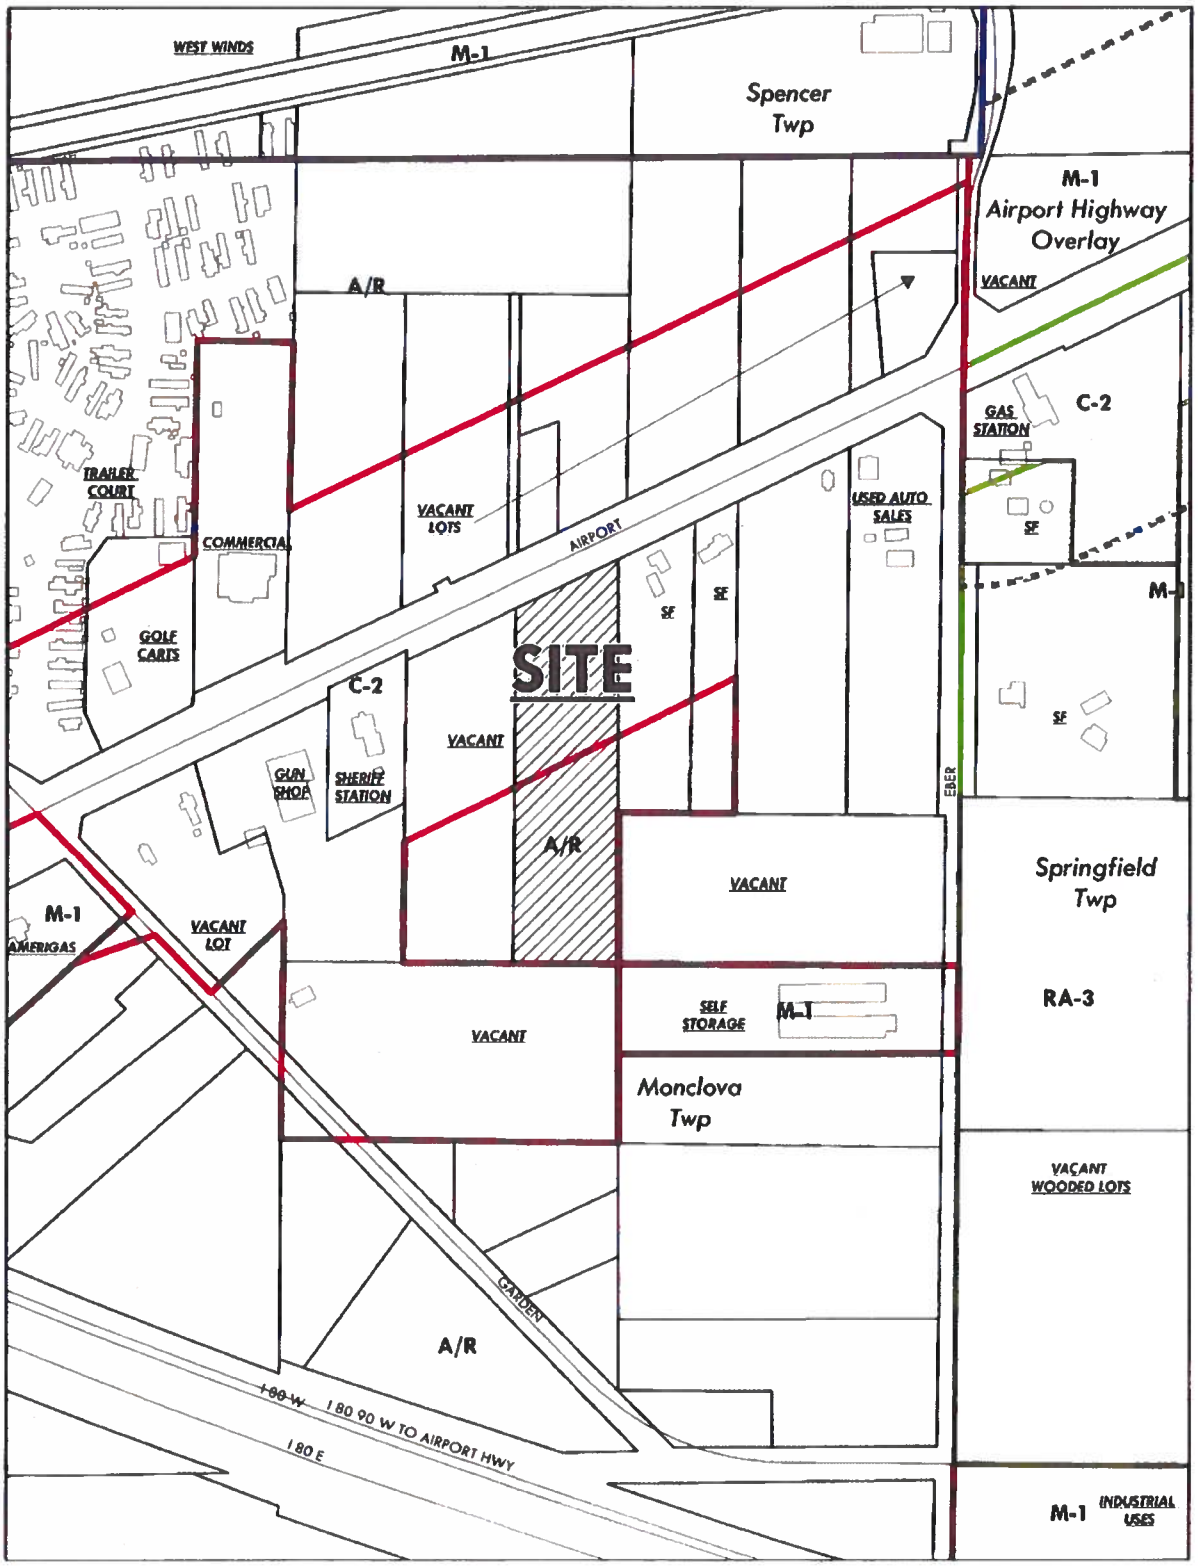

The subject site is a vacant lot that has two (2.0) acres and is located at 10311 Airport Highway. Abutting the site is a vacant lot on the west, and south side, and a single-family home to the east with a used car sales lot on the east side. Directly to the north of the site is a vacant commercial lot located across Airport Highway.

Proposed Project

The applicant is proposing the zone change in order to develop the property for a light industrial use that will match the other commercial and industrial businesses located in 10311 Airport Highway vicinity. Staff is recommending **approval** of the Zone Change.

Analysis

Section 4.9 C-2 General Commercial District

The General Commercial District provides for businesses which serve a regional market. Businesses may be grouped into small shopping centers located along a major thoroughfare, or at corners of major intersections on large lots to allow for ingress, egress, internal circulation and adequate parking. Typically, these businesses will be high generators of traffic. Examples of these include, but not limited to, shopping centers, malls, drive-through businesses, hotels, restaurants, gas stations, etc. Largescale retail projects may be allowed subject to the review and approval of a Conditional Use Permit. All uses and activities shall be inside buildings unless related to the existing primary use of the property.

Section 4.11 M-1 Industrial/Office Research District

The Industrial/Office Research District is to provide for light industrial, research laboratories, warehousing types of businesses which may be conducted in areas proximate to residential and commercial areas with attempts to provide as much isolation as possible. These uses may include activities of manufacturing, processing, or assembly of products or the provision of services. No offensive or hazardous conditions shall be created by an industry and other disruptive activities shall be minimized to maintain tranquility if near commercial or residential areas. This would include such things as excessive traffic, dust, dirt, noxious gases, smoke, noise, fumes or vibrations. Since certain industrial uses as a part of their operation may have been for sales distribution and sales outlets, it may be permitted only as an accessory use providing that goods and services are produced at the site or are an integral part of a warehousing distribution system. Wherever possible work activities and material handling will be confined to buildings or enclosures. When possible, materials and products will be stored in enclosed structures or areas screened from view of adjoining property. External areas of structures will be landscaped and maintained. Undeveloped areas will be kept free of debris, weeds and routinely maintained by cutting grassed areas.

Analysis (cont'd)

Township Land Use Plan

The 2022 Monclova Township Comprehensive Land Use Plan identifies the subject site as general commercial in the Airport/Interchange Planning Area. The area includes the eastern portion of Toledo Express Airport; the Ohio Turnpike interchange that serves the airport; the Ohio Air National Guard 180th Fighter Wing Base; a hotel and other airport related uses along an airport service road; a mobile home park, restaurant, self-storage facility and other commercial uses along Airport Highway; two self-storage facilities, several small-scale commercial uses, and an auto storage/repair operation along Eber Road. The land use plan states the preferred land uses to industrial, manufacture and general commercial uses compatible and supportive of airport facilities.

The planning issues and concerns listed in the plan refer to the development of vacant parcels located on the north side of Airport Highway adjacent to the Ohio Turnpike interchange and ensuring land uses that are supportive of airport uses (passenger and general cargo), and associated light manufacturing/light assembly/distribution in close proximity to the facility. Township officials should discourage land uses that are generally considered to be incompatible with airports (such as residential, schools, and churches) to locate away from airports and to encourage land uses that are more compatible (such as industrial and commercial uses) to locate around airports.

Findings

1. The request is compatible with surrounding general commercial and light industrial zoning and uses;

2. The request is compatible with 2022 Monclova Township Comprehensive Land Use Plan; and

3. The proposed Zone Change is anticipated to have minimal adverse impacts on surrounding properties.

Recommendation

Section 15.2, Letter F., Submission to County Plan Commission – APPROVE – The Zone Change from C-2 and A/R to M-1at 10311 Airport Highway.

*Move to approve **Resolution No. 11162026-01**, Updating the Code of Conduct for Public Comment during Board of Trustees' meetings.*

MONCLOVA TOWNSHIP BOARD OF TRUSTEES
CODE OF CONDUCT

WHEREAS, the Monclova Township Board of Trustees respects the Open Meetings Act and the residents of Monclova Township; now, therefore, it amends and restates the Code of Conduct for Public Comments during meetings of the Board of Trustees, as follows:

Code of Conduct for those wishing to address the Board during public meetings:

I. Those wishing to address the Board will be given the opportunity when the Chairperson of the Board opens the Public Comment portion of the meeting. There will be a sign-in sheet prior to the start of the meeting for the speaker's name and address. The speaker will state name and address before submitting comments.

II. Common courtesy and respect are expected of the speaker when addressing the Board. The use of profanity, loud, threatening or condescending comments towards the Board or any township employee will not be tolerated and the speaker's time will be terminated.

III. Outbursts such as clapping, cheering, booing or interjecting comments from those in attendance are not acceptable and if repeated will be cause for removal from the meeting or the Board Chair may recess until order is returned.

IV. The use of a visible and audible clock will be used to consistently and fairly monitor the public's comments. The Public Comment portion is limited to 30 minutes in total, and each speaker is limited to three (3) minutes. For this reason, the Board kindly requests that speakers not be repetitive or redundant once a topic has been discussed. New perspectives or matters are appreciated.

V. Failure to respect the guidelines while addressing the Board may result in the Board Chair asking the speaker to step away from the podium. Failure to do so may result in the Board Chair declaring the speaker to be disorderly and being asked to leave. The Chair may recess the meeting until order is restored.

BE IT FURTHER RESOLVED, that it is hereby found and determined that all formal actions of this Board concerning and relating to the passage of this Resolution were adopted in an open meeting of this Board and that all deliberations of this Board that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including §121.22 of the Revised Code of Ohio.

Trustee — seconded the adoption of the Resolution, and the roll being called upon its adoption:

Barbara S. Lang, __ ; Deborah Stevens-Laux, __; Charles V. Hoecherl, __.

I hereby certify that this is a true copy of Resolution No. 11162026-01, adopted at a regular open meeting of the Board of Trustees on November 16, 2026.

PRESENTED FOR ACTION

FIRE STATION BREATHING AIR COMPRESSOR AND SCBA FILL STATION

The SCBA equipment and accessories that were purchased through the FEMA Assistance to Firefighter Grant have all been received and placed into service. As part of the grant, we were unable to submit for replacement/upgrading of our breathing air compressor and SCBA fill station. Plans were made with our budget to replace those two pieces of equipment with the 2026 budget. Our current breathing air compressor and fill station were purchased through Breathing Air Systems back in 1985. Breathing Air Systems has also been the vendor that has provided preventative maintenance and any repairs needed for the equipment. As part of the updating / replacement of the equipment we received two quotes, one from Breathing Air Systems and the second from Howell Rescue. The quotes were for the updated breathing air compressor and SCBA fill station. Both quotes were requested for the compressor and fill station with installation but were less the replacement of cascade bottles. Our bottles meet the needs of both the old and the new system and have been recently hydrostatically tested.

The quotes for the project were as follows:

- Breathing Air System - $57,919.05
- Howell Rescue - $60,447.02

After reviewing both quotes, I am recommending / requesting approval for the budgeted purchase of a new breathing air compressor and SCBA fill station to complete the updating of our SCBA equipment through Breathing Air Systems. And to continue the Preventative Maintenance agreement with Breathing Air Systems.

Move to approve the purchase of a breathing air compressor and SCBA fill station with installation and continued preventative maintenance from Breathing Air Systems at a cost of $57,919.05.

CUSTOMER REQUIREMENTS

Important Information

I agree to the following requirements to ensure a trouble-free delivery and installation of my new system:

OFF LOADING

In most situations your system will be delivered by a freight company. Customers are responsible for accepting all deliveries including, but not limited to unloading, uncrating, inspecting, and placing the equipment in the proper location prior to equipment startup

RECOMMENDED ELECTRICAL WIRING AND BREAKER FOR EQUIPMENT ON QUOTE NUMBER:

QUO-OH21481

Service Disconnect with Time Delay Fuse	Wire Size/Gauge	Phase/Power	Volts
50	8		

CUSTOMER ELECTRICAL WIRING FOR MOTOR-DRIVEN SYSTEMS

- If your system is stationery, confirm that your available building power matches or will match the recommended electrical wiring and breaker for your new equipment.
- If your system is mobile, confirm that the generator/power supply on the truck matches the voltage and phase that you have ordered for your new system and that the generator is of sufficient rating to start electric motor
- Consult a qualified electrician to confirm your power for either a stationary or mobile system
- Complete the section below to confirm your building power or generator/power supply on your truck, including service disconnect with Time Delay Fuse, Wire Size/Gauge, Phase/Power and Voltage where system is to be installed. Equipment is ordered to match your entries below and any changes will result in addition charges once the equipment has been ordered.

Service Disconnect with Time Delay Fuse	Wire Size/Gauge	Phase/Power	Volts

- For most applications, you will need to install a suitable electrical breaker, service disconnect switch with flexible conduit and wiring to connect to the new system. All electrical service components must be rated for their intended duty, motor horsepower, voltage, phase and corresponding amperage for your system application. Therefore, allow your licensed electrician to properly size your electrical hookup per NEC and/or other prevailing electrical code requirements. Customers are also responsible for all electrical connections. Any improper electrical connections may result in additional installation charges.
- It is imperative that the above electrical wiring, etc. be properly installed prior to Breathing Air Systems' scheduled installation visit so as not to delay the final installation of your new system. If installation is delayed due to incomplete or improper wiring, it will not delay the billing cycle for the system. Additional charges may apply to the customer if Breathing Air Systems has to provide additional labor or travel related to incomplete or improper wiring.
- Your cooperation in following these steps will play an important part in the satisfactory installation and reliable performance of your new system. So, if you have any questions, please feel free to contact Breathing Air Systems for technical help. Thank you!
- I have read and understand the Customer Requirements document:

WARRANTY RECIPROCATING COMPRESSOR PRODUCTS

BAUER COMPRESSORS, INC. warrants that this product conforms to applicable drawings and specifications approved in writing by BAUER COMPRESSORS, INC. The compressor system and other BAUER manufactured components are warranted to be free of defects in both material and workmanship for a period of five (5) years commencing from the earlier of (1) the date of commissioning; or (2) six (6) months from the date of shipment from BAUER, with proof of proper maintenance being completed in accordance with published BAUER factory recommendations provided the municipal purchaser has maintained a service agreement with Breathing Air Systems or Safe Air Systems, your Authorized BAUER Service Center for such five (5) year period, at the time of system purchase, to provide service in accordance with BAUER's published factory recommendations. A copy of this signed warranty by both the municipal customer and Breathing Air Systems or Safe Air Systems, your Authorized BAUER Service Center must be provided to BAUER, within ninety (90) days from date of system start-up, for the municipal customer to receive the extended five (5) year warranty. Start-up/warranty registration forms are to be on file at BAUER COMPRESSORS, INC. within **ninety days** from date of start-up. **If such registration forms are not received within the ninety-day period along with this signed warranty, any warranty claims will be denied**. If, within such warranty period, BAUER COMPRESSORS, INC. receives from the Buyer written notice of any alleged defect in or non-conformance of the product, and if in the judgment of BAUER COMPRESSORS, INC. the product does not conform or is found to be defective in material or workmanship, BAUER COMPRESSORS, INC. will, at its option, either:

(a) upon return of the component F.O.B. to BAUER COMPRESSORS, INC. plant in Norfolk, Virginia, the part will be repaired or replaced, or credit issued (defective material must be shipped within 30 days of receipt of authorized return instructions), with return freight charges to be paid by the customer, or

(b) furnish a service representative to correct the defective workmanship. Deterioration or wear occasioned by chemical and/or abrasive action, excessive heat or abuse shall not constitute defects. (Other warranty details, exclusions and limitations are set forth in BAUER COMPRESSORS, INC.'s Conditions of Sale.)

The sole responsibility of BAUER COMPRESSORS, INC. and Buyer's exclusive remedy hereunder is limited to such repair, replacement or repayment of the purchase price. Component parts or assemblies not manufactured by BAUER COMPRESSORS, INC. are warranted only to the extent that they are warranted by the original manufacturer. BAUER COMPRESSORS, INC. shall have no responsibility for any cost or expense incurred by Buyer due to the inability of BAUER COMPRESSORS, INC. to repair under said warranty when such inability is beyond the control of BAUER COMPRESSORS, INC. or is caused solely by the Buyer.

If it is necessary to claim against this warranty, Buyer will be required to have a service record book showing that regular maintenance work has been carried out utilizing genuine BAUER components and that damage has not been caused by insufficient maintenance. The company's representative may require proof of maintenance prior to rendering any decision on the validity of a warranty request.

THERE ARE NO OTHER WARRANTIES, EXPRESSED, STATUTORY OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY AND/OR FITNESS FOR PURPOSE; NOR ANY AFFIRMATION OF FACT OR REPRESENTATION WHICH EXTENDS BEYOND THE DESCRIPTION ON THE FACE HEREOF.

This warranty shall be void and BAUER COMPRESSORS, INC. shall have no responsibility to repair, replace, or repay the purchase price of defective or damaged parts or components resulting directly or indirectly from the use of repair or replacement parts, including filter and separator elements or oil, not manufactured or approved by BAUER COMPRESSORS, INC. or from Buyers failure to store, maintain, and operate the product according to recommendations contained in the INSTRUCTION MANUAL AND REPLACEMENT PARTS LIST included with your order, and standard engineering practices.

If at any time during the five (5) year service period the customer fails to complete maintenance with Breathing Air Systems or Safe Air Systems, this warranty will be void and any warranty claims will be denied. All maintenance and related maintenance parts will be billed at time of service and is not included with your equipment purchase unless prepaid with your equipment purchase. Any work or maintenance completed on your equipment by any other company will void your warranty. The Bauer Warranty Registration Form must be on file with BAUER and Proof of completed maintenance must be provided by your Authorized BAUER Service Center for all warranty claims.

The months of service will be determined by your Authorized Bauer Service Center.

Your maintenance program will renew annually until cancelled.

AIR TEST PROGRAM OPTIONS

NFPA Guidelines recommend testing your breathing air on a quarterly basis and a before/after air test done at the time of service. All air test programs test to the NFPA 1989 standard which also covers Grade D and Grade E. If you need to test to a different standard, please contact Breathing Air Systems or Safe Air Systems to discuss.

☐ **Option 1** - SEMIANNUAL

- Testing twice a year
- Program is $276.00 for the entire year
- One semiannual program contains:
  - 2 test kits
  - 2 information cards
  - Adapters
  - 1 mailing bag (for your first sample)
  - 1 prepaid postage label (to send the box and adapters back with your last kit)
  - Air analysis and certificates (via email)
- *This option operates outside of the NFPA recommendation on testing breathing air.*

☐ **Option 2** - QUARTERLY

- Testing once every quarter
- Program is $496.00 for the entire year
- One quarterly program contains:
  - 4 test kits
  - 4 information cards
  - Adapters
  - 3 mailing bags (for your first 3 samples)
  - 1 prepaid postage label (to send the box and adapters back with your last kit)
  - Air analysis and certificates (via email)

☐ **Option 3** – MONTHLY

- Testing once every month
- Program is $1488.00 for the entire year
- One monthly program contains:
  - 12 test kits
  - 12 information cards
  - Adapters
  - 11 mailing bags (for your first 11 samples)
  - 1 prepaid postage label (to send the box and adapters back with your last kit)
  - Air analysis and certificates (via email)

☐ **Option 4** – OPT OUT

- *This option operates outside of the NFPA recommendation on testing breathing air.*

Move to approve ***Resolution No. 11162026-01****, Updating the Code of Conduct for Public Comment during Board of Trustees' meetings.*

MONCLOVA TOWNSHIP BOARD OF TRUSTEES
CODE OF CONDUCT

WHEREAS, the Monclova Township Board of Trustees respects the Open Meetings Act and the residents of Monclova Township; now, therefore, it amends and restates the Code of Conduct for Public Comments during meetings of the Board of Trustees, as follows:

Code of Conduct for those wishing to address the Board during public meetings:

I. Those wishing to address the Board will be given the opportunity when the Chairperson of the Board opens the Public Comment portion of the meeting. There will be a sign-in sheet prior to the start of the meeting for the speaker's name and address. The speaker will state name and address before submitting comments.

II. Common courtesy and respect are expected of the speaker when addressing the Board. The use of profanity, loud, threatening or condescending comments towards the Board or any township employee will not be tolerated and the speaker's time will be terminated.

III. Outbursts such as clapping, cheering, booing or interjecting comments from those in attendance are not acceptable and if repeated will be cause for removal from the meeting or the Board Chair may recess until order is returned.

IV. The use of a visible and audible clock will be used to consistently and fairly monitor the public's comments. The Public Comment portion is limited to 30 minutes in total, and each speaker is limited to three (3) minutes. For this reason, the Board kindly requests that speakers not be repetitive or redundant once a topic has been discussed. New perspectives or matters are appreciated.

V. Failure to respect the guidelines while addressing the Board may result in the Board Chair asking the speaker to step away from the podium. Failure to do so may result in the Board Chair declaring the speaker to be disorderly and being asked to leave. The Chair may recess the meeting until order is restored.

BE IT FURTHER RESOLVED, that it is hereby found and determined that all formal actions of this Board concerning and relating to the passage of this Resolution were adopted in an open meeting of this Board and that all deliberations of this Board that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including §121.22 of the Revised Code of Ohio.

Trustee — seconded the adoption of the Resolution, and the roll being called upon its adoption:

Barbara S. Lang, __ ; Deborah Stevens-Laux, __; Charles V. Hoecherl, __.

I hereby certify that this is a true copy of Resolution No. 11162026-01, adopted at a regular open meeting of the Board of Trustees on November 16, 2026.

ATTEST: _____

Gavin S. Pike, Monclova Township Fiscal Officer

Information:

10/15/26 5265 Weckerly Rd. (Shawver) Realtor Victoria Valle contacted me about the property. She wanted to know about zoning requirements for building a new home on the property which I provided.

10/16/26 7230 Stitt Rd. (Bird Property Management LLC) I had a call from the property owner. He indicated that he wanted to sell a portion of his property to his next-door neighbor at 5620 Black Rd. I explained the basics of the lot split process and directed him to contact the LCPC.

10-16-26 10520 Monclova Rd. (Carone) I was contacted by Heather Carone. She wanted to apply for a home occupation for a medical office. I explained that medical offices are classified under professional services and are not permitted under the home occupation regulations.

10-19-26 7539 Maumee-Western Rd. (Reed) I was contacted by a gentleman interested in purchasing the property. He did not give me his name. He had questions about setbacks and requirements for building. I answered his questions.

10-23-26 I was contacted by Keith Stewart he was working on plot plans for new homes in Crimson Hollow and asked me about driveway requirements which I answered.

11-3-26 9880 Monclova Rd. (Elaskary) I was contacted by the property owner. He wanted to know the regulations for sunrooms. I explained the zoning requirements for sunrooms.
11/4/26 7232 Rolling Meadow Ln. (Monclova Rd. Development) I assisted Nick Gilespie from Homes By Josh Doyle with submitting an application for a zoning certificate.

11/5/26 Matt Gruber from Ground Solutions called me about Fairway Village which is in the back of the Fallen Timbers subdivision. He is getting ready to record plat three. I went over the process of applying for zoning certificates on GoGov.

11/6/26 I attended the Clout meeting in Perrysburg Township

11/9/26 5851 Waterville-Monclova Rd. (Gustoffson) The property contacted me to see if Jake Breaks were allowed on Waterville-Monclova Rd. I talked with Doug and confirmed that there were no regulations regarding Jake Breaks on Waterville-Monclova Rd.

11-9-26 7267, 7249 Rolling Meadow Ln. (Homes by Josh Doyle) I assisted Audrey Holler with Homes By Josh Doyle to apply for zoning certificates on GoGov.

11-9-26 9944 Laplante Rd. (Erard) Stacy Erard contacted me. She had questions regarding getting a building permit for an addition to her garage. She had already received her zoning certificate. I explained the basics of the building permit process and recommended that she talk to a building inspector for more information.

11-11-26 3554, 3558, 3600 Moonlight Pass (Gulfstream Homes) I assisted Dave Geisler with Gulfstream Homes to apply for zoning certificates on GoGov.

Monthly Public Works Report

Monclova Township Public Works Department

To:	Monclova Township Board of Trustees
Cc:	Fiscal Officer, Township Administrator
From:	Doug Holland, Public Works Director
Date:	November 12, 2026
Subject:	Monthly Public Works Report

Roads

- Township street signs have been produced and delivered.
- The road striping project has been completed.
- Public Works is working on leaf collection.
- Public Works removed 17 unauthorized advertising signs.

Building

- Toledo Overhead Door completed two garage door repairs at the Fire Department and Public Works facilities.
- The foundation has been poured for the sign.
- The rear gate at the Administration Building was repaired.
- Public Works was notified that a backflow prevention system must be installed at the Public Works building. Options are currently being evaluated to address this requirement.

Vehicles

- We are looking at fleet management software to cover all Township-owned vehicles.

Cemetery

- Fall foundations have been poured.

Parks

- The restrooms at Keener Park will be winterized in the coming weeks, and the batting cage nets and soccer nets will be taken down.

Operations

- Interviews for the open Public Works position are complete; see the action item below.
- I am working with the county to keep all Public Works employees in compliance with 811 Dig requirements.

- David is responsible for marking storm sewers and will attend monthly meetings at Lucas County for updates.
- All Public Works employees attended the Salt Smart training program in Bowling Green.
- Public Works received a quote of $27,000 to upgrade its radio system, not including portable radios.
- Instead, Public Works chose FirstNet, whose push-to-talk feature allows phones to function as two-way radios, saving the Township funds.
- Once Ralph joins the department, one of his projects will be mounting phone cradles and microphone holders in each truck. This will keep us in compliance with the cell phone policy and provide two-way communication on projects such as traffic control.

Projects

- Ditch petition projects are moving forward. One, at Butz and Salisbury, is being led by Lucas County. The other, behind Crimson Hollow, will be cleaned up by Monclova Public Works. We will log our hours and bill the county.

Action Items

- Request to Purchase diagnostic equipment for large trucks from Selking for $7,701.00. $3,435.00 is for a laptop and USB kit with cables. The remaining is software subscriptions. Information is in New Business tab of Meeting Packet.

Executive Session

- Employment of a Public Employee - Public Works position

FIRE DEPARTMENT PERSONNEL

- Paid- Per-Call personnel – Austin Buczko, Abigail Mathewson, and Nathan Reddy continued the Firefighter I Class in Richfield Township.
- Fire Department personnel from the Apparatus Committee went down to the Horton Factory in Gove City, Ohio on October 9th to complete the final inspection of the new medic unit. Defects or issues were documented, and Horton Factory staff will work to make any needed corrections or repairs. After that time the medic unit will be sent to the Atlantic Emergency Solutions facility in Lima, Ohio and Atlantic technicians will complete their pre-delivery inspection and if necessary, any repairs. The Fire Department is tentatively scheduled to meet at the shop on November 6th to pick up the medic unit.

FIRE DEPARTMENT COMMUNITY ACTIVITIES

- October 2nd: Monclova Primary Fall Festival
- October 3rd: Monclova Township Safety Services Open House
- October 5th – 6th – 7th: Joint fire training with Waterville Fire Department at Johns Manville Plant # 7
- October 7th: Monclova Christian Academy Kindergarten Fire Station Tour and Fire Safety Talk
- October 9th: Monclova Primary Kindergarten Fire Station Tour and Fire Safety Talk (AM and PM classes)
- October 11th: Sunshine Communities Spooky Boardwalk Trick or Treat Event
- October 13th: Waterside Community Meet and Greet Event
- October 22nd & 23rd: Joint water rescue training with Waterville at Farnsworth Park
- October 23rd: EMS Event Coverage for AW Varsity Football Game
- October 24th: Fall Drug Take Back Day at Monclova Township Administration Building
- October 24th Trunk or Treat at Price Pro – joint PR event with Whitehouse Fire
- October 31st: Halloween Patrol in Monclova Township

FIRE DEPARTMENT STAFF EXTRA TIME & OVERTIME

- The pay period ending October 14, 2026, had a total of 176.50 hours of overtime with 165.50 hours of overtime from the FIRE Fund and 11.00 hours of overtime from the EMS Fund.

- The pay period ending October 28, 2026, had a total of 143.00 hours of overtime with 121.60 hours of overtime from the FIRE Fund and 22.00 hours of overtime from the EMS Fund.

APPARATUS AND EQUIPMENT

- **Medic 91**
  - October 6th: Medic 91 was taken down to the Public Works building and Public Works staff replaced two door actuators on the box of Medic 91. While down at the shop, they also made a weld repair to a broken shelf in one of the box compartments. Medic 91 was returned to service the same day. Both Medic 92 and Medic 93 were in service for use during Medic 91 out of service time.
  - October 21st: Medic 91 had a no-start, and it was found to be a bad cell in one of the apparatus batteries. Replacement battery was purchased at Interstate and installed by Public Work with minimal out of service time for Medic 91. Both Medic 92 and Medic 93 were in service during Medic 91 out of service time.
  - October 29th: Medic 91 was taken to Jam Best One in Maumee for diagnostics and repair after crews noted a shake and wobble around 50 MPH when driving. Both front and rear brakes were found to need replacement and technicians completed service and repair on Medic 91. Medic 91 was returned to service on October 31st. During the out of service time, both Medic 92 and Medic 93 were available for incident responses.

- **Brush 91**
  - October 26th: Brush 91 was taken to Atlantic Emergency Solutions shop in Lima for diagnostics and repair on the Foam Pro System on the skid unit. Technicians determined the repairs needed but had to order parts to rebuild a valve. Brush 91 was returned to service on October 29th with the foam system remaining out of service. An appointment will be scheduled to complete repairs once the parts are received at the Atlantic shop.

- **Truck 91**
  - October 27th: Upon returning from an incident response, the on-duty crew noted a large bolt in the rear outer dual on Truck 91 and the tire had a leak which lead to a flat tire. The Truck was taken out of service and Chief 91 notified. Public Works was notified and requested a mobile service call from Jam Best One. Jam technician came out and removed the tire. A replacement used tire was needed due to the location of the bolt and a crack in the side wall noted on the inside surface of the tire after it was removed. The technician was able to locate a used tire that was almost brand new, and it was installed on Truck 91. The unit was returned to service the same morning. During the Truck 91 out of service time, Engine 92 was moved up from reserve status and two pumping apparatus remained in-service with Engine 92 and Engine 91.

FIRE DEPARTMENT STAFFING AND OPERATIONAL STUDY

After holding some department meetings with Administrator Hampton and the fire department staff, one concern brough up was the increase in both overtime and mandatory or forced overtime. Administrator Hampton and I met with representatives from Aspirant Consulting Group to review services that they would be able to provide to assist with developing a staffing and operational study. This study will also be beneficial as we prepare to look at the fire department operational needs during both the present near future as we begin to plan for the upcoming levy.

FIRE DEPARTMENT BUILDINGS RENOVATION COMMITTEE

On October 28th I attended a meeting with JDI and Lucas County Building Officials to review the requirements for the tornado shelter requirements for the addition and renovation of the existing building so that JDI could complete the drawings for the bid package. The consensus was that we

would need the tornado shelter only for the new addition, but the building officials wanted to confirm with some additional research. Once an answer is received by JDI they will have a complete set of drawings for the bid package.

CONTRACT NEGOTIATIONS WITH IAFF LOCAL 5450

Contract negotiations with IAFF Local 5450 began with our first meeting on October 22nd.

FIRE PREVENTION BUREAU REPORT

The October 2026 Fire Prevention Bureau report of inspections and activities is attached for review.

Monclova Township
Fire Prevention Bureau

October 2026 Monthly Report

To: Fire Chief Matthew Homik and the Board of Trustees

Bureau Overview

The Monclova Township Fire Prevention Bureau completed 46 activities in October 2026: 32 fire prevention activities and 14 Community Risk Reduction (CRR) activities.

The Bureau conducted 25 inspections, completed six plan reviews, and issued one open burn permit. Community outreach included participation in the Public Services Open House on October 3 and school station tours during Fire Prevention Week.

Fire Prevention Activities

CRR TOTAL	**14**

Public Services Open House

The Bureau participated in the Public Services Open House on October 3. The event provided an opportunity to connect with residents, discuss fire prevention, and share information about the Bureau's services.

Fire Prevention Week

During Fire Prevention Week, the Bureau hosted Monclova Primary School and Monclova Christian Academy for fire station tours. These visits gave students an opportunity to learn about the fire department and fire safety.

This year's theme, "Safe Charging Is a Superpower!", highlighted the importance of safe charging practices and awareness of battery-related fire hazards.

Continuing Education

The Bureau recorded six hours of continuing education in October.

Monthly Totals

Category	Total
Fire Prevention Activities	32
Community Risk Reduction Activities	14
TOTAL BUREAU ACTIVITIES	**46**
Continuing Education Hours	6

Summary

Inspections accounted for most of October's fire prevention work, supported by plan reviews and permitting. The Bureau also assisted residents with smoke detectors and promoted fire safety through station tours, Fire Prevention Week activities, and participation in the Public Services Open House.
