

ATTENTION HOMEOWNERS AND BUILDERS

MAILBOXES MUST BE PLACED ACCORDING TO MONCLOVA TOWNSHIP STANDARDS, WHICH EXCEED FEDERAL STANDARDS AND HAVE PRECEDENCE.

- THE FRONT OUTER MOST EDGE OF THE MAILBOX MUST BE 6" AWAY FROM THE BACK OF THE CURB (OR FROM THE EDGE OF THE PAVEMENT).
- BREAKAWAY MOUNTING POSTS (TYPICALLY 4 X 4 WOODEN POST OR 2" STEEL POST) ARE ACCEPTABLE
- DO NOT ENCLOSE MAILBOXES IN BRICK OR STONE. THEY ARE CONSIDERED PUBLIC SAFETY HAZARDS AND ARE AN OBSTRUCTION TO THE SAFE USE OF THE HIGHWAY.
- DO NOT FILL PLASTIC POSTS WITH CEMENT OR ANCHOR POSTS IN CEMENT. IT IS PUBLIC SAFETY HAZARD.
- THE TOWNSHIP RECOMMENDS AN ADDITIONAL BRACE ON THE POSTS OF WOOD-ENCLOSED MAILBOXES. (THOSE TYPICALLY ERECTED IN SUBDIVISIONS)
- MONCLOVA TOWNSHIP WILL NOT BE RESPONSIBLE FOR THE REPLACEMENT OF MAILBOXES OR POSTS AS A RESULT OF INCORRECTLY PLACED MAILBOXES.

MONCLOVA FIRE/RESCUE STRONGLY ENCOURAGES PROMINENTLY DISPLAYED ADDRESS NUMBERS FOR RESIDENTIAL HOMES AND COMMERCIAL BUILDINGS. GREEN REFLECTIVE PLAQUES CAN BE OBTAINED THROUGH THE TOWNSHIP OR FIRE DEPT. FOR A FEE.
