## January Garbage and Recycling Changes

The Monclova Township Board of Trustees has chosen to retain Republic Services as the vendor for trash and recycling for the next five-year contract. This service includes weekly trash collection and every-other-week curbside recycling.

Significant points we would like you to be aware of:

- 1) The user fee announced in September remains at \$98.88 per year (\$49.44 per half) for five years.
- 2) Trash will be collected every Wednesday.
- 3) Every-other-week curbside recycling, also on Wednesdays, will be available to all as part of the contract. See page 3 for route designation. Participation is optional but the user fee will be the same regardless of your participation.
- 4) Recycling totes for those who do not currently have one will be delivered by Republic Services prior to January. If you opt out of recycling now but at a later date wish to participate, Republic will charge a \$25 delivery fee.
- 5) Republic Services will maintain a dedicated local number for Monclova Township customer service calls, 1-734-848-5226. This is also listed on the page 3 calendar.
- 6) Any resident who may have returned their toter prior to leaving Northwest Ohio for a seasonal break will be given a replacement toter upon return.

The Board of Trustees have taken thoughtful care in the decision-making process as we move towards these improved services. We issue a heartfelt thank you to you for your patience during these last few months as service arrangements were being determined.
