These sites accept grass clippings, leaves, pruning debris, bush trimmings, branches cut into acceptable lengths and more - all for a per visit fee or through a frequent user discount card. Customers empty containers and bags on site after inspection.

YARD WASTE COLLECTION

Yard waste is also accepted in the township's garbage collection service with Republic Services (1-800-234-3429). Resident must adhere to township limits which includes green waste debris. All items must be appropriately containerized (in regular trash bags or cans). Keep weight restrictions in mind when dealing with bagged grass etc. Do not place in brown paper yard waste bags. If debris includes branches that are not easily placed in appropriate garbage bags or cans, it is recommended that you utilize a drop-off site.
